Bargirl

A bargirl is a woman who is paid to entertain patrons in a bar, either individually or, in some cases, as a performer. The exact nature of the entertainment varies widely from place to place; depending on the venue this can be individual entertainment ranging from light conversation to sexual services, or more public entertainment in the form of go-go dancing or striptease.

Beer garden

A beer garden (a loan translation from the German Biergarten) is an outdoor area in which beer and local food are served, typically at shared tables. Common entertainment includes music, song, and games, enjoyed in an atmosphere of Gemütlichkeit. Beer gardens originated in Munich, the capital of the German state of Bavaria, in the 19th century, and remain common in Southern Germany.
